PRESENTATIONS AND INVITED TALKS

Teixeira, S. (2025, November). *Building local capacity: Training ABA professionals in Portugal*. Association for Behavior Analysis International Conference.

Teixeira, S. (2026, March). *Building culturally responsive relationships with diverse families*. Workshop, International Behavior Analyst Organization.

TEACHING AND SUPERVISION

Available for adjunct instruction and remote university fieldwork supervision

Fully remote, synchronous or asynchronous. Fieldwork supervision delivered in a competency-based model built around BACB fieldwork requirements. Instruction available in English, Spanish, or Portuguese — suited to programs placing multilingual students or students serving immigrant and non-English-speaking families.

Courses prepared to teach

- Ethics and Professional Conduct in Behavior Analysis
- Supervision and Management in Behavior Analysis
- Verbal Behavior
- Early Intervention and Developmental Assessment
- Behavioral Assessment
- Culturally Responsive Practice in Behavior Analysis
- Caregiver Training and Consultation

Supervision of BCBA candidates

Ongoing supervision of candidates accruing supervised fieldwork hours toward certification.

CONTINUING EDUCATION DEVELOPMENT

Developing on-demand continuing education for behavior analysts and behavior therapists, approved through IBAO and QABA, launching September 2026. Topics include ethics in everyday practice, compassionate supervision, remote supervision, and culturally responsive family work.

AREAS OF FOCUS

- Early intervention
- Compassionate and assent-based practice
- Supervision and practitioner development
- Telehealth service delivery and remote supervision
- Culturally responsive practice
- Caregiver training and consultation
- International capacity building

LANGUAGES

English (native) · Portuguese [fluency level] · Spanish [fluency level]
